How you can retire on

\$200 a month

THIS new Retirement Income Plan enables you to provide for yourself a guaranteed income for life.

The income begins at any age you say—55, 60 or 65. It can be any amount you wish—\$100 a month, \$200, \$300, or more.

This life income is unconditionally guaranteed to you by the Phoenix Mutual, a 79-year-old company with assets of over 135 million dollars.

A business man recently asked us questions about the Plan. Here are his questions and our answers: "A Retirement Income takes care of me, but suppose my wife outlives me. How can I be sure she will not be without money?"

"That can be taken care of. The income can be made to continue as long as either you or your wife lives."

"Suppose I should be killed suddenly by some accidental means."

"Your wife would receive double the amount of cash or double the income re-

Retirement Income Plan

Here is what a \$200 a month Retirement Income, payable at age 60, will do for you.

It guarantees when you are 60

A Monthly Income for life of \$200, which assures a return of at least \$20,000, and perhaps much more, depending upon how long you live, or, if you prefer, a Cash Settlement of \$27,000.

It guarantees upon death from any cause before age 60

A Cash Payment to your beneficiary of \$20,000. Or a monthly income for life.

It guarantees upon death from accidental means before age 60

A Cash Payment to your beneficiary of \$40,000. Or a monthly income for life.

It guarantees in event of permanent total disability before age 60

A Monthly Income of \$200. Plans for women or for retirement at age 55 or 65 are also available.

"How much does a Retirement Income cost?"

"That depends upon your present age and upon the amount of income you want to retire on. A Retirement Income does not have to be paid for all at once. It is purchased on the installment plan. The payments are usually spread out

ceived in the event of natural death."

"Suppose serious illness or accident should destroy my earning power while I was still young. Where would I get money to live on?"

"Shortly after you became totally and permanently disabled, the company would pay you a monthly income. This income would continue as long as your disability lasted."

over a period of years. This makes the payments comparatively small."
